OUR TEAM RAISES OVER \$4,000 FOR ANOTHER NON-PROFIT

Mission staff, volunteers, and supporters joined together in honor of St. Peregrine to form the first ever Relay for Life team in the fight against cancer. In recognition that Mission San Juan Capistrano is a place of inspiration for caretakers and those fighting cancer, the team raised over \$4,000 to donate to the American Cancer Society. "It was an honor to celebrate loved ones in this unique way of a non-profit supporting another non-profit," said Executive Director Mechelle Lawrence Adams. It is with special thanks to the Mission Preservation Foundation and team leaders Christine Robinson and Laura Freese for getting the team together.

The Mission Team walked in honor of these special people comprised of survivors and those who fought bravely but lost:
