

Compton Junior High School Mariachi

The Compton Mariachi is in its second year. The Compton Mariachi is part of the Bakersfield City School District After School Program. The BCSD ASP reached out to several BCSD music teachers and Staff to create pilot mariachi programs at five local Bakersfield schools. Compton Jr. High is one of those schools.

The Compton Jr. High Mariachi performs at school concerts and public events each year. The Compton Mariachi performed at the O.D. Williams awards ceremony in May 2017. The Compton Mariachi will perform at the BCSD Mariachi Festival on May 5, 2018. A majority of the Compton Jr. Mariachi students participated in the award winning College Heights Mariachi (Bakersfield) as elementary school students.

The students are excited to continue performing mariachi with the Compton Jr. High Mariachi with a refined approach to music making today!
