## Mariachi Embajadores Del Valle

Mariachi Los Embajadores del Valle is the intermediate ensemble of The Mariachi Studio, a private music academy located in Delano, CA. It is directed by Xóchitl Morales, with the assistance of Emma Navarro and Roman Arreola. Members of Los Embajadores are trained under a rigorous curriculum that includes music theory, mariachi history and mandatory private instrumental lessons on their instrument of choice; they are encouraged to work on two or more instruments. Embajadores play in four recitals per year as well as in a number of family and community events. Their selections today are El Cofrecito (son jalisciense), Dos Palomas Al Volar (ranchera) and Caminaré (bachata).
