

Mariachi Corazón de Tucson

Mariachi Corazón de Tucson was formed in 2009 under the direction of Jaime Valenzuela. The group consists of 18 members ranging in age from 15 to 18, many of whom are also active in their schools' mariachi groups. Our group's mission is to help our players become leaders and global citizens through the rigors of practice and performance, and to honor the beauty of Mexican culture through Mariachi music.

Mariachi Corazón de Tucson has participated in many competitions and conferences, ranging from Tucson International Mariachi Conference, Rosarito Mariachi Competition, and Battle of the Mariachis.
