

Mariachi Los Halcones de Jim Bridger Middle School

We are Mariachi Los Halcones from Jim Bridger Middle School. Mariachi Los Halcones are a part of The Clark County Public School District in Las Vegas, Nevada. This is Mr. Alfonso Garcia's third year as musical director of Mariachi Los Halcones. This group consists of 6th, 7th, and 8th grade students.

This is Mariachi Los Halcones first trip outside of Las Vegas and we are very excited about being part of this event. With the help of a great parent organization, Mariachi Los Halcones have been able to raise the needed funds to attend this event.

In preparation for their fundraising events, Mariachi Los Halcones has been working extremely hard and is now able to perform over 1 ½ hours' worth of wonderful music for any event. This dedication to hard work has allowed them to perform almost every weekend over the past school year. This has created wonderful memories and experiences while sharing the music of Mariachi.
