Mariachi Mestizo is the top performing group representing The Mariachi Studio, a private music academy located in Delano, CA and directed by Leticia and Juan Morales. There has been several generations of Mariachi Mestizo, one often replaced by another made up of younger siblings. This particular generation is a mixture of both novice and veteran players, some of who have performed on world-renown venues such as the Hollywood Bowl and the Carnegie Hall in New York City. Mariachi Mestizo just released its twentieth anniversary album “Mestizo: XX Aniversario”, which is available on iTunes and other platforms. Also available is “Te Doy La Libertad”, their previous album recorded live at Capitol Records Hollywood. This summer, Mestizo will open up for Los Camperos de Nati Cano at the Musco Center, and will debut at the Kennedy Center, in Washington, DC. Today’s selections are El Sonero (son abajeño), Como Yo Te Amé (bolero), Leña de Pirul (ranchera) and Armando Manzanero Medley.
