Subject: Partner with Mission San Juan Capistrano's Music Under the Stars 2017

Dear Community Partner:

Mission San Juan Capistrano, California Landmark #200 and museum, welcomes more than 350,000 visitors and 66,000 fourth graders annually. To Southern California visitors and the world at large, the Mission serves as a place of inspiration, education and preservation for all. As a 501(c)(3) non-profit, the Mission receives no funding from any religious or governmental organization. Continued preservation of Orange County's most historically significant site, hands-on education programs and ensuring public access for generations to come relies upon the commitment of supporters like you.

You are invited to partner with the Mission this summer for exposure of your business while also making a significant impact. The Mission will host **Music Under the Stars 2017 Summer Concert Series**, a fundraising series in support of Mission preservation and education programs. **We hope you will participate by donating an item, certificate or service to be won in the opportunity drawing or silent auction held at each of the five concerts.**

Concert dates are **June 24, July 8, July 22, August 5 and August 19, 2017**. Each concert hosts a sold out audience of 1,500 guests. For your donation, you will receive recognition in the printed program, event signage, on screen projection and at our website for ongoing exposure for your business throughout the year. You will also receive a thank you letter for your tax purposes. Your donation to one or up to all five of the concerts is welcomed and gratefully received.

Donations may be mailed to: Mission San Juan Capistrano, Attn: Events Department, 26801 Ortega Highway, San Juan Capistrano, CA, 92675. Please return donations by Friday, June 16. To coordinate a pick-up of your donation or with any questions, contact Christine Branson, Events Manager, at (949) 234-1321 or cbranson@missionsjc.com.

Your support makes an important impact at Mission San Juan Capistrano. Thank you for your commitment to making a difference in your community and to preserving the Jewel of the Missions for generations to come.

With gratitude,

Mechelle Lawrence Adams
