

# MISSION CHRONICLES

Information for Locals

Presented by Mission San Juan Capistrano

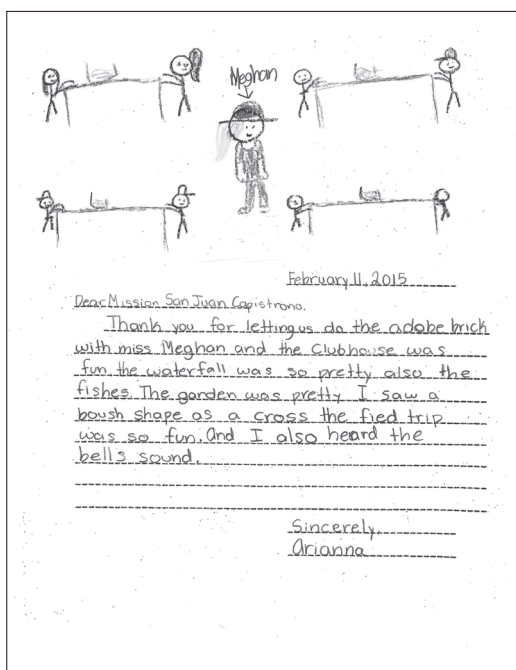

## “BIG THANK YOU” TO OUR TEACHERS

Our teachers bring over 60,000 students to visit Orange County’s only historic mission to learn about California history. Their support of the Mission’s education programming helps to keep the Mission around for the next generation of students.

At the Mission, we want to provide students with an authentic historic place for inspired learning about California history. Our volunteers and staff work hard to make their experience the best possible.

Mission San Juan Capistrano also offers award winning audio tours in multiple languages and also provides educational resources, the Mission Clubhouse, engaging exhibits, and special educational programming with partners such as The Ocean Institute, Discovery Science Center and Journeys to the Past presented by Jacque Nunez. Collectively, the programs are designed to extend the classroom learning field trip experience and meet the 4th grade California Social Science Content Standards, (4.2 #5).

Education takes place every day, all day long here at Mission San Juan Capistrano. Teachers play a critical role in ensuring Mission San Juan Capistrano is a place of inspiration, education and purpose. We salute them and celebrate every 2nd Saturday with free admission for teachers on our Teacher Appreciation Day.

Thank you letter from 4th grade student
