NEW PARKING SERVICE

The city of San Juan Capistrano and Mission San Juan Capistrano worked with local businesses to create a six-month trial run program to help ease the parking situation in the city's downtown using a valet service.

Mission San Juan Capistrano's Preservation Foundation has provided up to \$5,000 to support the program that will be offered on Saturdays throughout the summer.

Funded by the Mission's subsidy and a \$4 charge per car, the community valet program will be offered on the scheduled Saturdays at noon and will end at 11 p.m. The goal of this start-up program is to provide a ready means way to direct guests for easy and convenient parking in the downtown area, and to create a few more precious spaces as well.

"Best Valet Parking Corporation is very appreciative and excited to partner up with the Mission San Juan Capistrano to bring a unified downtown valet parking program built to provide convenient and professional service to any and all guests visiting the many shops, restaurants and entertainment venues," said Aran Shelly, general manager of Best Valet Parking Corporation.

Visitors and guests may come off the freeway, go south on Camino Capistrano and park in front of the Provincial Building at 31815 Camino Capistrano.

FREE WEEKEND TROLLEY SERVICE

Friday 4 PM - 10 PM | Saturday 9 AM - 10 PM | Sunday 10 AM - 4 PM

Avoid parking downtown and get to restaurants, shopping centers and summer concerts with ease by taking the new San Juan Capistrano trolley for free! Ride the trolley from the Park and Ride lots, east of the I-5 freeway at the corners of Junipero Serra Road and Rancho Viejo Road. Check out the San Juan Capistrano Trolley Schedule and Route for other stops, and locate the trolley by using the trolley tracker at www.SJCTrolley.com.

Win a FREE table to the Music Under the Stars Summer Concert on August 8th! Take a selfie on the trolley and post on Facebook, Twitter or Instagram using hashtag #SJCTrolley and automatically be entered-to-win. Contest ends on July 26 and winner will be announced on July 27.
