About Mission San Juan Capistrano:

Known as the “Jewel of the Missions,” Mission San Juan Capistrano is a historic landmark and museum that boasts of quality permanent exhibits featuring original artifacts as well as traveling and temporary exhibits on a wide variety of topics.

The site itself serves as a living outdoor museum with original buildings constructed by Native Americans in the 18th century including the Serra Chapel, Great Stone Church, and the original padres’ quarters of the South Wing.

The Mission was founded on November 1, 1776 by Padre Junipero Serra as the seventh in the chain of the twenty-one California missions established by Spain, and is Orange County’s only mission. Every year, over 50,000 students visit the Mission and engage in an inspirational learning experience via the Mission Matters programming, as part of their State required California history studies.

Mission San Juan Capistrano is owned by the Diocese of Orange and is supported by the Mission Preservation Foundation, which is comprised of business and community leaders committed to ensuring the long term preservation and viability of Orange County’s only Mission. The Mission receives no funding from either the Church or the State of California and charges admission funds as a means of providing public access.
